

CAPABILITIES STATEMENT

Wooden Boxes Manufacturing & Construction Services

ALASKA NATIVE VILLAGE CORPORATION • GSA MAS SCHEDULE HOLDER

COMPANY OVERVIEW

Kaiyuh Services, LLC (KSL) is a graduated SBA 8(a) certified subsidiary of Gana-A'Yoo, Limited (GYL), an Alaska Native Village Corporation (ANC) representing four villages along the Yukon River and over 2,400 shareholders. KSL specializes in providing specialty construction, and facility support services to government and commercial clients nationwide.

Our team brings extensive experience in program and project management, with a strong track record in secure construction, design-build, and sustainment, restoration, and modernization (SRM) projects. We also provide demolition, weapons crating manufacturing, and comprehensive operations and maintenance services. With a broad range of capabilities, contracting advantages, and a highly skilled project management team, KSL is well-equipped to support complex infrastructure needs in challenging environments.

FEATURED CONTRACTS

WRIGHT-PATTERSON SABER - DAYTON, OH; FA860122D0003; \$127M: Broad range of maintenance, repair and minor construction work on real property. Through this WPAFB SABER contract vehicle we are currently coordinating over \$80M in task orders specifically supporting the Intelligence Community through the National Air & Space Intelligence Center.

SCHRIEVER SPACE FORCE BASE; \$3.3M; Under the Schriever GLEN 22-1005 project, performing renovation and reconfiguration of Rooms 141-143 in Building 401 at Schriever Space Force Base, Colorado, to meet ICD/ICS 705 SCIF requirements. The \$3.26 million firm-fixed-price contract encompasses demolition, installation of sound control assemblies, acoustical ceilings, fire protection systems, HVAC, electrical, and telecommunications cabling, all executed within an occupied building while maintaining strict compliance with safety, security, and environmental regulations.

FORT MCCOY MATOC; W911SA24D2018; \$25M: Provides design-build and IDIQ construction services supporting sustainment, restoration, modernization, and minor new construction. Managing multiple task orders including roof replacements, drainage improvements, and building envelope upgrades, delivering projects from design through construction and closeout in compliance with UFC standards, safety, and mission requirements.
